NATURAL TONES

Special designs in subtle nude and earth tones are the face of this modern collection. The combination of imperfect, organic shapes and modern, clean lines gives the range a fascinating versatility. Natural Tones offers a winning balance between natural elegance and timeless sophistication. Pink and brown tones go hand in hand with this collection, yet brass accents can also play a role here. Be inspired by the world of exquisite shapes and colours and discover the charming beauty of the Natural Tones range.

Besondere Designs in feinen Nude- und Erdtönen sind das Gesicht dieser modernen Kollektion. Die Kombination aus unperfekten, organischen Formen und modernen, klaren Linien verleiht dem Sortiment eine faszinierende Vielseitigkeit. Natural Tones bietet eine gelungene Balance zwischen natürlicher Eleganz und zeitloser Raffinesse. Auch wenn die Rosa- und Brauntöne in dieser Kollektion Hand in Hand gehen, kann mit Messingakzenten hier durchaus gespielt werden. Lass dich inspirieren von der Welt der erlesenen Farben und Formen und entdecke die reizvolle Schönheit des Natural Tones Sortiments.

Des designs spéciaux dans des tons nude et terre subtils : voici les grandes inspiration de la collection Natural Tones. La combinaison de formes organiques imparfaites et de lignes modernes et épurées confère à la gamme une polyvalence fascinante. Natural Tones offre un équilibre entre élégance naturelle et sophistication intemporelle. Les tons roses et marron vont de pair avec cette collection, mais les accents de laiton réhaussent certaines pièces. Laissez-vous inspirer par le monde des formes et des couleurs de la gamme Natural Tones.

NATURE

A natural look in a classic style combines with highlights from a bohemian trend. The Nature collection makes this possible, because here the beauty of nature is celebrated in all its glory.
